ORDER GRANTING AUTHORITY
TO PROVIDE INTEREXCHANGE
SERVICE AND APPROVING
SCHEDULE OF RATES AND TERMS
AND CONDITIONS

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

In this Order, the Commission grants Startec Global Licensing Company the authority to provide interexchange service throughout the State of Maine and approves the Company's Terms and Conditions and Rate Schedules as filed on 12/4/98 (pp. 2-10). Pursuant to Chapter 280, §§ 11 and 12, we exempt Startec Global Licensing Company from the requirements of Chapter 210, *Uniform System of Accounts*, and 35-A M.R.S.A. §§ 707 and 708, subject to the conditions described below.

I. APPROVAL OF APPLICATION TO SERVE

On December 18, 1998, Startec Global Licensing Company applied for authority to operate in Maine pursuant to 35-A M.R.S.A. §§ 2102 and 2105. 35-A M.R.S.A. § 2105 requires us to find that the public convenience and necessity require another utility to serve where another utility is already authorized or is providing the same or similar service, before we grant approval under section 2102 for an additional public utility to provide service.

47 U.S.C. § 253(a), enacted by the Telecommunications Act of 1996, states:

(a) In General. No State or local statute or regulation, or other State or local legal requirement, may prohibit or have the effect of prohibiting the ability of any entity to provide any interstate or intrastate telecommunication service.

47 U.S.C. § 253(b) states, however:

(b) State Regulatory Authority. Nothing in this section shall affect the ability of a State to impose, on a competitively neutral basis and consistent with section 254, requirements necessary to preserve and advance universal service, protect the public safety and welfare, ensure the continued quality of telecommunications services, and safeguard the rights of consumers.

We find that granting Startec Global Licensing Company the authority to provide interexchange service will not impede the preservation or advancement of the public

interest goals or policies stated in section 253(b). Startec Global Licensing Company's application provides reasonable information indicating that its financial and management capabilities are adequate to provide interexchange services in Maine.

II. APPROVAL OF TERMS AND CONDITIONS AND RATE SCHEDULES

We allow the terms and conditions filed by Startec Global Licensing Company to go into effect. Startec Global Licensing Company used the Commission's expedited process for approval. That process includes standard terms and conditions that comply with Maine law and the Commission's Rules. We have reviewed the Company's terms and conditions and find that they appear to comply with Maine law and the Commission's Rules. Nevertheless, if there is any conflict between a provision in Startec Global Licensing Company's terms and conditions and the Commission's Rules or a statute, the rule or statute will govern.

In general, the Commission believes that a competitive telecommunications market results in services and rates that benefit the public. We believe that the acceptability of Startec Global Licensing Company's services and rates in the market provides an adequate test of the reasonableness of the Company's rates. Accordingly, we allow the rates proposed by Startec Global Licensing Company to go into effect. We believe, however, that customers must have complete information about the price of services provided. Therefore, we require that when an aggregation surcharge is added to the price of a call, Startec Global Licensing Company must fully disclose the presence and amount of that surcharge prior to the customer's use of Startec Global Licensing Company's service.

III. WAIVERS; REPORTING REQUIREMENTS

Pursuant to sections 11(A) and 12(A) of Chapter 280, Startec Global Licensing Company is exempt from Chapter 210 of the Commission's Rules, which governs telephone utility accounting and annual financial reports, and from 35-A M.R.S.A. §§ 707 and 708, which governs approvals for reorganizations and contracts with affiliated interests. However, as required by Chapter 280, § 11(A), Startec Global Licensing Company must report its annual intrastate gross operating revenues and its annual intrastate minutes of use for the purpose of determining its regulatory assessment.¹ Pursuant to Chapter 280, § 11(B), Startec Global Licensing Company

shall maintain records sufficient to identify and to allow auditing of traffic volumes, intrastate interexchange billings for both retail and wholesale services, and all information that is necessary to calculate access or interconnection charges in accordance with this Chapter. Those records shall be maintained for a minimum of 2 calendar years.

Pursuant to Chapter 280, § 12, the exemption from the affiliated interest approval requirements of 35-A M.R.S.A. §§ 707 and 708 is subject to the notice

requirements contained in Chapter 280, § 12(B) and (C) and in the ordering paragraphs below.

IV. OTHER REQUIREMENTS

Startec Global Licensing Company shall comply with all applicable rules of the Commission and statutes of the State of Maine, including the customer notification rule described in Ordering Paragraph 6.

V. ORDERING PARAGRAPHS

Accordingly, we

1. Grant, pursuant to 35-A M.R.S.A. §§ 2102 and 2105, the request of Startec Global Licensing Company to provide interexchange service throughout the State of Maine;
2. Approve Startec Global Licensing Company's proposed Terms and Conditions and Rate Schedules (pages 2-10); those Schedules shall be effective on June 21, 1999;
3. Grant Startec Global Licensing Company's Request for Waiver of the requirement under certain sections of Chapter 280 that it pay access charges subject to the conditions and requirements stated on the attached Waiver Request Form. Startec Global Licensing Company shall immediately inform the Commission and the Access Administrator if there is any change in its operations that will result in its carrying, switching, or any processing of any of its own traffic. Startec Global Licensing Company shall notify the Commission of any change in its underlying carrier within 30 days following the change;
4. Exempt Startec Global Licensing Company from the requirements of Chapter 210 of the Commission's Rules, except that it must report certain revenue and minutes of use information, as required by Chapter 280, § 11(A), on or before April 1 of each year;
5. Exempt Startec Global Licensing Company from the approval requirements of 35-A M.R.S.A. §§ 707 and 708, but Startec Global Licensing Company shall provide notice to the Commission of any reorganization, as defined in 35-A M.R.S.A. § 707(1)(A), that results in a merger, sale or transfer of a controlling interest of Startec Global Licensing Company or of any entity that owns more than 50% of Startec Global Licensing Company. The notice required by this subsection shall be filed within 10 days following any reorganization described herein, as required by Chapter 280, § 12(B). As required by Chapter 280, § 12(C), Startec Global Licensing Company shall also provide notice of any other changes in the name under which it does business (d/b/a), any change of the location of its business office, and change of its contact person. Startec Global Licensing Company shall provide the Administrative Director of the Commission with notice of any of the changes described within 30 days following the change. If necessary, Startec Global Licensing Company shall amend its rate schedules and terms and conditions to reflect any change in identity; and

6. Direct that Startec Global Licensing Company shall comply with all applicable rules of the Commission, including the requirement in Chapter 280, § 10 that interexchange carriers provide notice to all affected customers of an increase to any rate that is greater than 20%.

Dated at Augusta, Maine this 21st day of June, 1999.
